# Security Video Requests

For information on Starbucks security video and the request process, please review our [Frequently Asked Questions](#) prior to submitting your request.

## Law Enforcement Agencies

For Law Enforcement Agencies (LEAs)

For Law Enforcement Agencies (LEAs) requesting security video from a Starbucks owned facility, please review the following:

When available, Starbucks will voluntarily produce video to LEAs conducting investigations into suspected incidents involving Starbucks, a Starbucks partner (employee), and/or a Starbucks customer identified as a victim and the incident occurred in or on Starbucks property. Except in exigent circumstances (i.e. terroristic threat, assault with a weapon, etc.), Starbucks requires a written, signed request on LEA letterhead.

When Starbucks, a Starbucks partner (employee), and/or a Starbucks customer is not the suspected victim and/or if the incident being investigated did not take place in or on Starbucks property, a valid subpoena is required prior to any available video being produced.

**LEAs** may submit their video request by [CLICKING HERE](#).

## Requests by Third Parties (Non-LEAs)

When available, Starbucks will produce video to third party requests when served with a valid subpoena.

## Customer Complaint and Discovery Request

I, hereby, request surveillance AV of an incident which occurred between 4:00 PM and 4:30 PM on 08022020 at a Sacramento location in North Natomas Place shopping center for discovery.

Please send as attachment (converted to .mp4 format) to email address: jaakovos@gmail.com.

At the time, I entered to purchase. A male menaced myself with prolonged, malicious and conspicuous staring. He wore a mask with a large question mark printed over his mouth. Reasonably, I infer: the symbol was cryptic to convey intent to interrogate as he menaced.

Immediately, I addressed the criminal behavior to staff as I purchased referring to a joindered pattern of stalking by organized criminals. After all that had actually occurred conspicuously, I was answered with patronizing incredulity that contextually offended. I was informed: this male (conspicuously a mafia associate) was the local store-manager's husband. Peggy (manager) greeted me with, "Happy Sunday Jacob." As I left, she warned, "Now, please just be quiet Jacob."

I have needed to frequent Starbucks locations as a resource for weighty case-work and administrative matters. They are essential, with gravamen, in my life. I have appreciated the places of public accommodation's wifi service and electricity provisions for charging IT devices for communications and productivity. Such resources are limited (especially now with local Covid policy further obstructing).

Just recently, by wifi, I have: 1. corresponded to law enforcement and F.B.I., and 2. performed case-work/product remote storage over internet resources.

Over recent months (among other complaints) I have reported: I have observed a long-term, mafioso enemy, Frank Forchione (Judge of Stark County, Ohio Court of Common Pleas) stalking at same Starbucks location in Sacramento California. This was on a business day (conspicuously negligent to his office). LOOK... I tried to make a valid customer-service complaint by feedback as an anomaly itsrlf, then it was rejected and referred to this and other links! You have obscured contact. This is consistent with an obviously bizarre conspiracy of sabotage in this country obstructing telecommunications necessary! I highly resent it! Correct this to traditional formats! I will persist! I will subpoena with actions when it becomes relevant with causes.
